Political and Social Consciousness of 18th Century Populace in Gdańsk Kropidłowski Zdzisław pobierz PDF We have the pleasure to present the work of Zdzisław Kropidłowski, the Head of the Department of Scientific Information and Bibliological Studies of the University of Kazimierz Wielki in Bydgoszcz. His research is mainly concerned with the 14th, 17th and 18th centuries. Initially, he was involved in the history of Christian charity and social care, mainly in Gdańsk. Expanding the subject of research in chronological and territorial terms, he developed the study of self-help activities in craft corporations of Gdańsk, Toruń and Elbląg from the 14th to 18th centuries. In the context of social history of Pomerania and the history of the Church, he also dealt with the material possessions of the parish, clergy and church service in the area of the deanery in Puck and in Royal Prussia, an important province of the Polish Kingdom.
